The St. Philomena Men's Club is stronger than ever and has planned another fantastic year of activities for the men of the Parish. We will start the year out with our Fall Steak Dinner on **Wednesday September 1, 2010 at 6:00.** We're firing up the grills, so plan on joining us for a tasty Alwan's Ribeye with all the fixins and some cold refreshments, **all for just \$12.** Our guests for the evening

will be several members of the coaching staff from Peoria Notre Dame High School who plan to provide us with a sneak preview of their upcoming seasons. Last year we served over 125 dinners so it is important that you contact one of the officers to RSVP. Better yet, simply return the enclosed envelope with your dinner payment (\$12) and your 2010 membership dues (\$10). As an alterna-

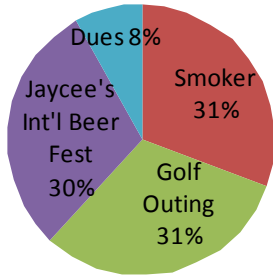

tive, you can save yourself a stamp and just drop the envelope in the collection basket at any mass. We hope you can make it, and **"For God's sake, bring a friend".**

Check out the other great events that we've planned for the year.

Hard at work for St. Phils

The Men's Club worked hard this past year to raise a record amount of money to support a number of great projects around the St. Phil's campus. The chart at the left illustrates the events that generated the income during the 2009-2010

year. The funds we raise are then put back into our parish community through grants that are approved by our membership. Over 125 golfer's participated in our May Golf Outing at Pine Lakes Golf Course—our best year

ever! The ever popular Men's Club Smoker was packed full of activities and good times and a big team of members helped staff the kitchen at the Jaycee's International Beer Festival. Get involved—we could sure use your help.

Can We Count on You to Pay Your Dues?

The primary goal of the Men's Club is to promote fun and fellowship among the men of our parish. The **annual membership dues of \$10** helps support important projects around our church and school. See the table

at the right for a list of the parish support that we provided during the 2009—2010 school year. We also make available **Life Time memberships**—one payment of **\$125** covers you for the rest of your life.!

The Men's Club Knows Crawfish!!

Consider a
Life Time
Membership!!

Long time Men's Club members Tom Smith and Doug Heuermann serve up some fresh crawfish to the winning bidders at last years PTO Dinner Auction. The crawfish boil brought in \$850 for the PTO. Look for it to appear again on this years live auction.
