School Shoes

To minimize gathering at coat hooks upon entering and leaving school, students will not switch shoes for gym class or outside/inside use. We ask that students wear the same set of shoes throughout the school day. Parents and students are free to determine a suitable pair of shoes for both outside and inside activity. Without ordinary color limitations for dress shoes in the classroom, we ask parents to use discretion with color choice when purchasing comfortable shoes. Parents of students who cannot yet tie their own shoes may consider velcro options to minimize the need for teachers to tie student shoes during the day.
