

Dear St. Philomena Community,

The St. Philomena School Benefit Auction is our largest and most important fundraising event of the year. This exciting event includes an online silent auction and an in-person dinner, donations and live music. Thanks to your generosity, the auction directly supports our students, teachers, and staff by providing the tools and resources they need. Every dollar raised goes directly back to the school.

Each year, we're humbled by the incredible support from our parishioners, school families of past and present, and the greater community. Below are several ways you can contribute to the success of this year's auction:

BECOME A SPONSOR

Sponsors play a critical role in helping to offset event costs. General donations are applied where they're needed most, or you may choose to sponsor specific aspects of the evening such as the sit-down dinner, bar, or champagne toast. Visit our auction website at stphils.maxgiving.bid to make a donation. Cash or checks may also be dropped off at the parish office. Every gift, big or small, makes a big difference!

JOIN A COMMITTEE

Interested in donating your time? We welcome volunteers to join one of our many auction committees. These groups are essential to planning and executing a successful event and are a great way to get involved. To learn more, please email ptoauction@stphils.com or call the parish office at 309-682-8642.

DONATE ITEMS

Thanks to the generosity of our families, parishioners, and local businesses, the auction features a wonderful selection of items, gift cards, services, and experiences. If you'd like to donate an item - or need ideas - please reach out to ptoauction@stphils.com. You can also browse our Amazon Wish List (use the QR code to the right), where purchases will be delivered directly to our acquisitions committee and added to the auction in your name.

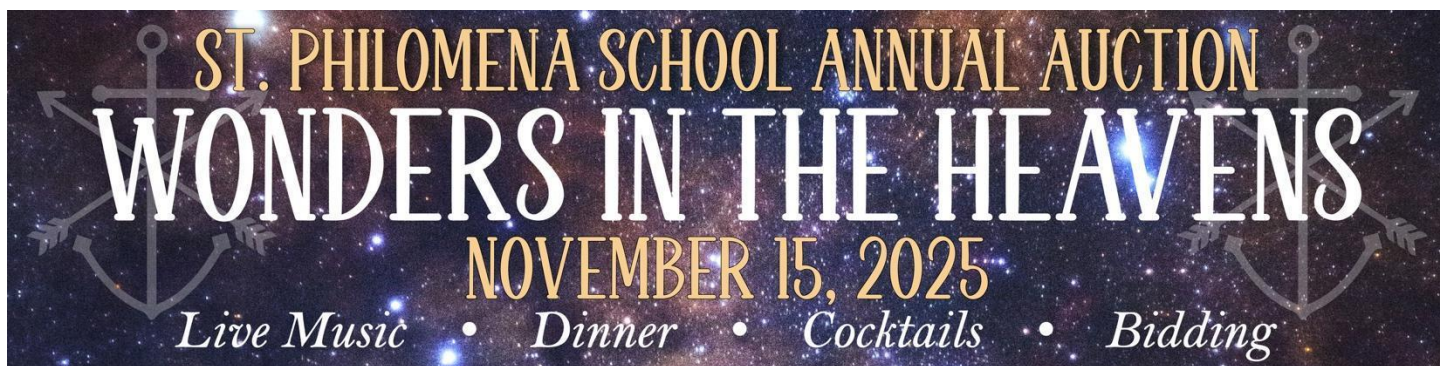

Keep an eye out for more updates as we get closer to the big night, including details on ticket sales – they are going to sell out fast this year!

Thank you for your continued support and generosity.

Paws up!

The 2025 St. Philomena Auction Committee
