The Tiger Support Team is a group of staff members responsible for collecting information and assessing any and all risks associated with that information. The team will utilize national best practices to assess, evaluate and support individuals and situations to mitigate any and all risk. The team consists of administration, teachers, counselors and clergy. Our hope is to be available to any community member to receive information regarding concerning behavior and decide the best course of action.

Team members: Fr. Daniel Dionesotes, Mr. Jack Dippold, Mrs. Janelle Dalbey, Mrs. Morgan Fehl, Mr. Doug Heuermann and Mrs. Theresa Joschko.
